

## Mission

To enrich lives through firsthand interaction with living things.

"He would be very impressed with how the zoo has evolved."

Sue Brouse, granddaughter of Arnott Folsom, on what Mr. Folsom would think of Lincoln Children's Zoo today.

In 1959, Arnott Folsom had a vision to create a family destination where thousands of children and adults could interact with nature. With help from community leaders and a generous donation from the Folsom family, Lincoln Children's Zoo was founded. Opened in the summer of 1965, the Zoo became a place where children could get up-close to animals and surround themselves in scenic gardens.

Today, Arnott Folsom's vision has grown and in the process positively impacted generations of families in the community. Lincoln Children's Zoo is home to over 350 animals, more than 40 of which are endangered. Nearly 200,000 people attend the Zoo each year, making it the third most attended arts and science attraction in Nebraska. Rated among the nation's best zoos for children by *Parent Magazine* and recognized by the First Lady of the United States as the top zoo for community service, the Zoo is the perfect destination for the entire family!

To make a donation and support Lincoln Children's Zoo, visit [LincolnZoo.org](http://LincolnZoo.org) or stop by the front gate.

Lincoln Children's Zoo receives no tax dollars and relies solely on admission, memberships and donations for financial support. All proceeds help maintain the Zoo and care for the animals.
